## Suspended Mine Union Seeks Reinstatement

VANCOUVER, Aug. 25.—Harvey Murphy, Western Regional director of the International Union of Mine, Mill and Smelter Workers (IUMS), said Wednesday reinstatement of the union as a Canadian Congress of Labor affiliate shouldn't be too difficult.

The controversial article in the IUMS' expulsion from CCL activities for two years was announced by the CCL Tuesday. Murphy said the reason for the union's suspension, an article in the union paper attacking CCL President A. R. Morley, was no longer valid since the author had been discharged.

R. M. Carlin, Sudbury, Ont., the union's eastern director, and M. H. Travis, Chicago, international secretary, announced in Vancouver that the union would be reinstated as a delegate from any chartered body of the CCL.

Labor observers in Vancouver believe the whole action to be a part of the battle by CCL leaders to rid the organization of Communist influence.

Communism itself, however, was not mentioned by the CCL executive committee in its official statement.

## COUNTRY DEMONSTRATION

The Socialist party announced it is planning a country demonstration outside the burned-out German Reichstag building, which, though it is in the British sector, is only a stone's throw from the Soviet sector border.

No casualties were reported. By mid-afternoon, a large part of the crowd had dispersed.

The demonstrators were members of the Socialist Unity Party (SED) which is sponsored by the Russians and dominated by Communists. The crowd gathered outside the city hall carrying Red banners and singing "The Internationale."

Red banners carried the words: "One administration, one currency, one language, one people, one capital." "Down with the enemies of the workers," "Down with the agents of monopoly capitalism."

## COUPLE RECONCILED BY AUTHOR'S NEED

CHICAGO, Aug. 26.—(BUP)—Mr. and Mrs. Fred Lamphere, who separated when they disagreed over a serious operation for their infant daughter, were back together today because a woman author needed a happy ending for her story about them.

Helen Boland, Chicago editor of a confession-type magazine, brought about the reconciliation at her apartment last night. The Lamphere case came to light when the father, 24, sought a court order to force his wife to allow an operation to correct a rare bladder condition in their 22-month-old daughter, Pamela. A panel of six doctors appointed by the court examined the infant and decided she should be operated on within 60 days. Both parents agreed to abide by the decision but they refused to be reconciled.

DETROIT, Aug. 26.—(AP)—More than 20,000 auto workers were made idle directly or indirectly by "heat strikes" yesterday as the temperature soared toward a record 98 degrees.

## 'Mom' of 6 Children Hollywood Winner

By Jack DeLong A typical home-making mother of six who spent her honeymoon working on a farm and has never let up since for either honeymoon or holiday is "The Loveliest Mother."

More about contest winners on Pages 3 and 11. Fifty runners-up prize-winners are listed on Page 3.

Mrs. Anna Anholt of 8010 107 Street, has been chosen from among 3,000 mothers to fly to Hollywood for a Cinderella vacation away from kids and kitchen in a golden land of make-believe.

Grand prize winner of The Edmonton Bulletin-Capital Theatre Loveliest Mother contest is a true queen of hearts in her modest but comfortable South side home.

It was just another day in the Anholt house today up to a certain time, when the kitchen was in a canning.

Kasper Anholt, man of the house, salesman with Hayward Wood Preserving and Supply Ltd., was away from home at his work.

Mum Anholt, the busy 37-year-old housewife, was her kitchen up to her elbows as the saying goes, in canning.

Raymond Anholt, 12, was out of town on a short vacation. Yes, it was just another day in a typical, well-ordered Edmonton home. Mom reigned supreme in her kitchen and all was right with the Anholt.

Then it happened. Santa Claus in August, the good fairy and Dame Fortune knocked at the Anholt door. The visitors, bearing the good tidings were in the form of a quartet of very ornate, sparkling, representative of The Edmonton Bulletin.

"You are going to Hollywood," the spokesman announced a wretched-demeanor Mom relaxed her vigilance.

Myrtle Anholt, eldest of the children at 18, was "serving" morning lunch to the pride and joy of the household, Diana Lynn, 18 months, just turned two months. She was giving baby Diana Lynn her bath.

Leroy Anholt was doing a bit of do-doing and singing and was just like any other kid of 14 who gets kind of bored with summer holidays in the late stages.

Stout little platinum-haired Dennis Anholt was making something in after the manner of any three-year-old boy, alerted for an assault on the kitchen cookie jar if per chance Mom relaxed her vigilance.

**COURAGE AND LIKEABILITY** of Mrs. Kathleen Desjardine, were two important reasons why the judges unanimously awarded her \$100 for being second loveliest mother.

**WHITE-HAIRED** Mrs. George F. Thompson, 10043 111 street, was winner of a \$50 prize in *The Bulletin's* Lovely Mother contest. She "never dreamed" she would be chosen by judges. Photo by Blund.

**UNKNOWN TO HER**, Mrs. O. Prevost is \$50 richer, but the Wanhman mother of eight will not know her award in the "Lovely Mother Contest" until she reads this issue of *The Bulletin*.

**SERENE BLONDE** beauty of Mrs. Fred Hogue, 10617 109 street, so impressed judges they awarded her a special prize. This mother of a baby boy receives a one-year double pass to Capitol Theatre.

## Stay-at-Homes Get Another Tasty Game

The kiddies get another tasty keep-busy idea today from Miss Sydney Fleet, supervisor of handicrafts, for the city recreation commission.

This is the sixth in a series written for children whose activity is restricted by the city police ban. Series is written by Miss Fleet and presented through *The Bulletin*.

**SEWING KIT AGAIN**  
Mother's sewing kit will have to be rummaged again, today, for a pair of scissors and a piece of colored thread.

Let's begin by coloring the piece of paper green. Finished already? Now take the lollipop and stick the handle into the gumdrop so that it stands up. The lollipop is the Fairy's face and the gumdrop is her feet.

Cut two leaves from the colored paper, and also cut a whole string of leaves that are all joined together.

Stick the two separate leaves to the base of the handle down by the gumdrop, and tie them there with a piece of thread. Now take the long string of leaves and gather them together around the ball of the lollipop so that your doll has green hair.

Now pull up all the corners and tie them to the string around the handle of the lollipop.

**VERY PRETTY**  
Use your bright-colored thread to tie this to the stick. A big bow makes the Fairy look very pretty. Your lollipop Fairy will look clean—even on the feet—after you decide to look her a few times. Then she gets wet and sticky, but really, I don't think she'll mind. Since it is a bit chub today, and you can't play outside I thought you might like to read a book about "Horton Hatches the Egg," written by Beatrix Potter. It is the story of one of those birds who would sit on eggs and hatch them.

Maybe Mom or Pop could help you with the big words if you find you don't know.

### Whitewash Job For Glenn Gray?

Thursday tip-offs and did you know there's a good chance the Royal Canadian Golf Association will whitewash Glenn Gray sometime in 1949. The former Mayfair club champ lost his amateur status last year when he played as a professional in a number of U.S.P.G.A. tournaments while on his honeymoon. ... The story goes that new-flyer Bernie Hathgave asked for 20 goals and 57 assists in 54 games, season 1946-47. ... That was the year he ranked third in assists in the northern division while playing with Vancouver Canucks. ... Only Jim Planché (since returned to the Quebec Senior wheel) and Bill Kyle, with Regina Caps last season, outshone Hathgave when it came to smothering the road to the goalmouth for teammates. ... Is there any truth in reports that Dave (Sweeney) Schirmer, former coach of Lethbridge Maple Leafs and an entire NHL great, will do a comeback this season with Art Somers at Regina? ... The story goes that Schirmer will try a Ponce de Leon on defence for the Caps. ... If the ex-major leaguer can get into anything approaching his best shape he might still go alright in this company.

Hi-V-Vor, six-year-old son of western Canada thoroughbred blue bloods (Will Somers-Duchess of York) is rated a handicap star in and around Montreal's Blue Bonnets course.

### About 'Satch' Paige

Best year we have come across having to do with the supposedly droll wit of Satchel Paige is of the time he was opposed by "Dizzy" Dean in an exhibition affair. ... Along about the 12th inning, with the score at 9-0, Dean led off with a booming triple. ... The loosey-goosey Negro hurler is supposed to have trotted over to third base and addressed the panting Dean as he came in. ... "Well, Dean, you ain't got no runs and we ain't got no runs and believe me you ain't gonna get no runs." ... With which Satch retraced his steps to the rubber, promptly sending the side to leave his pitching rival stranded, and then went on to win 1-0 in 13 innings. ... Just over 200,000 fans have seen Paige in his last three outings for Cleveland Indians. ... No wonder the Negro press has labelled him "the greatest drawing card baseball has known since the late 'Babe' Ruth was at his peak." ... There's talk that Ted Neist, crackjack Walla Walla, Wash. shotmaker will make it to Calgary for the Alberta Open, Labor Day week-end.

Clarence Melbye at centre for Calgary's gridiron Stampede? He's 10-1 it can't happen. ... A Reginaian wants to go back to school for a while for a master's degree.

### At Odds, They Were

All was not hearts and flowers between Bobby Locke and certain well-placed Kimmens executives following the South African Kimmens-sponsored two-day stand at the Highlands last week-end. ... Seems the rival factions were in heated disagreement over the whys and wherefores of a proposed Monday appearance at Mayfair of the man with the magic putter (it didn't come off). ... Instead Locke got mixed up in a friendly game, proceeded to tour the tough layout in 63 whacks for a new course record. ... Anytime now the annual rivalry between the two Fiver home games will go up from those who failed to get in on the ground floor three years back. ... Of course we understand a number were prevented from so doing by unfinished business in Europe and other parts of the war-torn world. ... As it is the option system undoubtedly still will be shot through with irregularities and injustices except where the Chosen People are concerned. ... If CNL juniors manage to knock off Canadians in their present playoff for city honors manager Lou Platt is in a cinch to be given the keys to Calder. ... Tip: Alex Olyn's plans to move his office driving range from its present location just south of the grandstand at the Exhibition grounds. ... Could this mean that the Exhibition Association already is committed to expansion in this direction?

The rookie-of-the-year in American League circles might easily prove to be 44-year-old (Satchel) Paige. How'dya like that?

## Headliners Signed For Mat Card Here

Al Oeming, Edmonton's newest athletic promoter, has made his first move toward reviving wrestling here. Tuesday Mike Mazurki, from Hollywood, and Abe Vorriat, of Toledo, Ohio, were matched to headline Oeming's card on September 11.

The stock position at the Exhibition grounds will be the site of this wrestling revival.

Stu Hart, one-time Canadian lightweight amateur champion, has a date in the semi-weekend with Pat McGill from San Francisco. Hart, who has been home and McGill is a former drop-kick specialist with California State football team. A preliminary bout to open the evening has yet to be arranged.

## Lack of 'Filthy Lucre' Anchored Alta. Women

By BERT GREER  
Women representing every province in the Dominion, except Alberta, are gunning for laurels in the Canadian Ladies' open golf championship at Riverside, N.B., this week, and interestingly, in Edmonton golf circles are tiling their eyebrows in an inquiring sort of way. ... Alberta is not overly endowed with expert shovers among the female sex. It is admitted, but nevertheless it is a big black eye for this province, the only one listed among the missing. ... The reason, according to a number of local women, is lack of money or failure to realize the money drive early enough.

## Canucks, CNR Resume Series At Renfrew

CNR and Canadians continue their best-of-seven series for the Edmonton junior baseball championship at Renfrew Park tonight. Starting time for the game is 8:00 p.m.

In the first game played the CNR camped the Redlegs 10-2 behind Mel Prosser's four-hit pitching. The second scheduled game was rained out Wednesday.

Third contest in the round goes Friday at 8:00 and it is probable that the fourth will be played Saturday night.

Don Simons is the probable starting pitcher for CNR this evening and his likely opponent on the Canadian mound is Ken Halsey.

## Well-Known Sports Promoter Passes

MONTREAL, Aug. 26.—(CP)—Armand Vincent, 48, Montreal sports promoter for the last 20 years, died Wednesday night.

Fifteen years ago he staged a series of bouts for the world's heavyweight boxing title, involving such ring stars as Steve Eacore, Pete Santol, Baby Anderson, Panama Al Brown, Newbury Brown and the Canadian boxing titlist, Bobby Lithman.

He was the first to introduce National Hockey League play in England when he promoted the 1938 matches in London between Detroit Red Wings and Montreal Canadiens.

## Harry Robertson Hurt As Pats Down Leafs

Oliver St. Pats came through with an important soccer victory at Clarke Stadium Wednesday night, but it was an expensive conquest.

They lost the services of Harry Robertson for the season as they played a 1-0 setback on the tanning Maple Leafs in a Dragoon Cup match.

Robertson was rushed to hospital after a collision with a defending player and X-ray examination showed his collar-bone broken.

Eric Johnson proved the hero of the game, booting in a pass from Innes for the lone tally. It came midway through the first period.

It was a hotly-contested game throughout and was exceptionally rough in spots as each team went out to get past the first round of cup play. Leafs were only able to field nine players.

Despite the afternoon pain the stadium grounds were in ideal shape and playing conditions were perfect.

Gilbert Shaw, G. Davidson, Robertson, Hamilton, Coleman, G. Davidson, Wade, Innes, Holsen, Weir, Mason, Reid, Maple Leafs-Fred, Andrechuk, Hamilton, Perkins, Blair, Higgins, Stewart, G. Davidson, Reid, Gordon and Bill Thomas.

## Richard Recognized Featherweight King

MONTREAL, Aug. 26.—(CP)—Jean Richard of Montreal was recognized as Canadian featherweight boxing champion when George Hooks-Roy, boxer of St. Francis was given the nod at midnight tonight (Tuesday) by the Canadian Boxing Federation at a meeting here Wednesday night.

Richard, 24, was recognized as champion by a unanimous decision of the judges.

Each fight club will have six tickets, compared to three years ago when only two men, or two men and three women, and inter-club matches will be staged every Tuesday night at St. John's.

All the club capitals have been informed, and according to T. J. Vickers, good progress has been made.

Just in case somebody hasn't figured it out, Bobby Locke was 18 strokes under par in the three matches he played in Edmonton.

He was seven under and four under at Highlands and seven under at Mayfair. That's an average of one birdie every three holes.

## Negro Pitcher International League Star

NEW YORK, Aug. 26.—(CP)—Cleveland Indians, charging out of their slump, hit early and often yesterday behind the four-hit pitching of Bob Lemon to regain first place in the close American League race.

A crowd of 30,745, sitting in 90-degree heat, saw the Indian right-hander turn in his 17th victory and eighth shut-out as Cleveland dominated Boston Red Sox 9-0. The loss dropped the Sox back into second place.

A four-run second inning in which nine of the Tribe batted and drove starter Denny Galehouse to an early bath, set the Indians off on their war path.

Shortstop Manager Lou Boudreau hammered his 11th homer of the campaign in the sixth and Larry Doby hit his eighth in the eighth inning.

Boudreau, Joe Gordon, Doby and Jim Hegan each got three hits and three of the nine Indians runs were sent across the plate by Doby, speedy Negro centerfielder.

## Eight Remain In Ladies' Golf

RIVERSIDE GOLF CLUB, N.B. ... 26.—(CP)—The Canadian ladies' golf championship continued today with a colorful sectional and international quarter-final field of eight and the prospects that anything can happen before nightfall.

Three Toronto golfers, two from Montreal and one from Vancouver were still in the running against the depleted American ranks that the defending champion, Miss Grace Leckey of Newington, Conn. and Mrs. Eddie Bush of Wilmington, Del.

One all-Toronto match today brings together Miss Ada MacKenzie and Mrs. J. R. Seawright, both of whom fought off two additional American threats yesterday in a pair of terrific struggles.

## Braves Scalp Cards

Over in the National League, the leading Boston Braves pushed across two runs in the fifth inning as Warren Spahn hurled a seven-hit game to shutout the St. Louis Cardinals 2-0.

In a day contest at Pittsburgh, Brooklyn Dodgers snapped a four-game losing streak with a vengeance, walling four Pittsburghers for 18 hits to gain an 11-9 decision.

No slouches with the wit, the Boston Braves collected 17 hits, including home runs by Ralph Kiner, Ed Stevens and Wally Westlake. It was No. 34 for Kiner, who leads the league in that department.

At Chicago, the New York Giants held to three hits through the first eight innings by Bob McKeon and only springing in the ninth when paw and his two successors for eight runs to defeat Chicago Cubs 8-4.

Meanwhile, Howie Fox was handling Philadelphia's 10-0 victory over Cincinnati Reds downed the Phillies 5-1. Danny Litchfield, Ted Kluszewski and Johnny Mize, who clouted homers to assure Fox his fifth win against eight defeats.

## BALL PLAYER ADMITS FACE SLASHING HOAX

NEW BRITAIN, Conn., Aug. 26.—(AP)—The story told by a Twilight League baseball player of having been slashed with a razor because he would not "throw" a ball game, was only a hoax to gain notoriety, Police Lieut. Michael J. Flynn said Wednesday.

Flynn said E. Vincent Eldred, Jr., of Hartford, had signed a statement admitting he had sent a threatening telegram to himself and had slashed his face with a razor. Then he reported to police he had been attacked by three "gamblers."

Eldred, right fielder for the Pro Hallow team of the Hartford Twilight League, desired "to gain notoriety in order to become more in demand as a ball player."

No charges have been placed against him.

## Dawes' Plan To Raise Standard of Athletes

MONTREAL, Aug. 26.—(CP)—A. Sidney Dawes, of Montreal, chairman of the Canadian Olympic Committee, has a plan to raise the standard of the Dominion's athletes—a \$1,000,000-a-year grant from the Dominion government.

He spoke briefly of his idea at a dinner Wednesday night given the Canadian Olympic team which arrived from Halifax.

"We want a million dollars a year from the government to help our sports," Dawes told the athletes. He urged them to "get behind" sports and take an active interest in the game.

"Don't worry about criticism," you'll get beat if you don't at the game."

He referred briefly to the showing of Canada in the London Games and came up with statistics to show that every one in four of the 105-strong team received an award of some kind.

"People in Britain had nice things to say about you at all times."

Shortly after the dinner, given by the Montreal Sportsman's Association, team members dashed to railway stations to start the last leg of their journey from Britain. Some stayed overnight to see the town.

## High School Fire Traced To Pair of Youngsters

### Hearing Opens On Four Charges

Shadowing of a suspected drug addict for several hours on the night of August 17 and early morning of the next day, was revealed in city police court today by RCMP officers testifying against Peter Jurgas, no fixed address.

Jurgas is charged with illegal possession of drugs, obstructing a peace officer, illegal possession of liquor, and vagrancy.

Preliminary hearing on the charge of being in possession of a drug, a type of morphine, contrary to the Opium and Narcotics Drug Act, opened in court today. No plea has been entered in any of the other charges.

Fire which caused several hundreds of dollars damage at Victoria High School early this week was today traced to two young Edmonton children.

In a report released today by Fire Marshal Jack Booth, a seven and eight-year-old were said to have been playing with matches between the two wooden annexes to the building when the fire started.

E. H. Hughes, provincial fire commissioner and Mr. Booth both stressed the need for increased parental vigilance to ensure children do not have access to matches.

In a joint statement, the fire officials said:

"It has been frequent during the school holidays to see children setting fire to garbage in back lanes."

Fear was also expressed by the

### Oil Worker Slightly Injured

An oil field worker, William Charles Young, Leduc, was taken to the University hospital early today after he sustained injuries in an oil drilling accident.

Young is believed to have been struck by a loose cable. He sustained shoulder bruises and head wounds. His condition is reported as good.

## Young German Seeks Friend In Alberta

Anyone looking for a pen pal in Germany?

In a letter addressed to The Edmonton Bulletin, a young German girl from Mannheim has asked for someone in Canada with whom to correspond.

She is Gerda Dammann, and she writes: "Would it not be able to find a correspondent for me through your newspaper? I am a young girl, and would so much like to write with someone nice."

She doesn't give her age, but from an enclosed snapshot she appears to be about 17. Anyone wishing to correspond with her may obtain the snap by calling at the Bulletin office.

Her address is Mannheim-Wald 146, Germany, (Baden), U.S. zone.

### Commerce Group To Discuss Rates

Canadian freight rate structure, and its present application, will be one of the main subjects of discussion at the Canadian Chamber of Commerce annual meeting at Vancouver next month.

The matter will come before the convention mainly through the efforts of the Edmonton Chamber of Commerce.

The group has urged that this question be dealt with at the annual meeting so that there can be an exchange of opinion from all sections of the Dominion.

Discussion on the freight rate structure will be led by Fred J. L. McDougall of Queen's University.

### Thieves Get Heavy Haul

Two stoves and a radio were stolen from an unoccupied trailer parked at the rear of 10015 142 street recently, city police said today.

The equipment, property of A. M. Walker who is out of the city temporarily, was recovered at a local second hand store. Neighbors reported the theft.

## Highway Speedsters To Be Checked Here

More rigid enforcement of speed limits on Alberta highways, was promised today in an announcement from the Alberta Highway Traffic Board.

A squad of uniformed Highway Traffic Board police, motor cycle equipped, are to patrol all main Alberta roads, to check on observance of speed limits and other safety factors.

The new officers will commence operations as soon as they have been selected and motor cycles have been obtained.

Two of the new speed enforcement squad will be stationed at Edmonton, two at Red Deer, two at Calgary and one at Lethbridge, a spokesman for the traffic board said.

They will augment the present staff of ten traffic board inspectors, stationed at various parts of the province.

Present inspectors, equipped only with passenger cars, have been checking on conditions of vehicles on the road in regard to roadworthiness, weight carried, and other factors.

**RCMP HELP**  
RCMP have been requested to make a more rigid check on speedsters on the roads, as well.

## Tubercular Cattle Tests Show Decline in Disease

Encouraging results have been shown in tuberculosis testing of Alberta cattle, according to Hon. D. A. Ure, minister of agriculture.

He said average incidence of tuberculosis in this province was only 10 per 1,000 head, as compared with 140 per 1,000 head in many areas in the United States.

The Alberta results are based on a survey of more than 250,000 cattle. He said average incidence of tuberculosis has been found to be higher in a heavy concentration of dairy cattle where a large percentage of the animals are kept under cover.

As a safeguard to the milk supply, the government is giving priority to these areas, with a view to early elimination of affected cattle and consequent rapid reduction of the incidence of bovine tuberculosis in the province, the minister said.

Initial tests in one dairy district showed 100 cattle with tuberculosis

# Budget-Wise Dishes Run Low on Meat

Recipes for Supper Casserole Dishes  
From Files of Edmonton Housewives

You have to be ingenious to be a successful housewife these days. You can't depend on the butcher for your main dish mainstay. That budget just won't stretch to cover T-bone steaks and the like.

What you have to do is color and build your meat dishes with corn, peppers, rice, potatoes, tomatoes, bread crumbs, gravies.

Here are some tried and tested recipes gleaned from the recipe files of Edmonton's best cooks:

## VEAL GOUJASH

2 slices veal steak, 1/2" thick about 1 1/2 lb. 1 tsp. salt, 1/2 pepper, 1 tbsp. flour, 4 tbsp. vegetable fat, 1/2 cups sliced onion, 1/2 cup chili sauce, 1/2 cups boiling water, 1/2 cup grated cheese, one 8-oz. pkg. macaroni. Divide the slices of veal in 8 portions and sprinkle with salt, pepper and flour. Melt fat in a covered skillet, add veal and onion and brown.

Then add the chili sauce, water and cheese. Cover and simmer for 30 minutes, or until tender. Meanwhile cook the macaroni in salted water. Drain and add to the meat and sauce. Stir well and season. Serve with the veal goulash. Serves 8. (Excellent for using up left over veal steaks, cooked, 1 lb. each.)

## STEVED STEAK WITH MACARONI

1 1/2 lb. round steak, 2 tbsp. flour, 2 tbsp. butter, 1 tsp. salt, 1/2 lb. macaroni, pepper and salt. Cut meat in small pieces, roll in flour and fry in butter. Cover with hot water and allow to simmer 2 hours, add macaroni then cook for 1/2 hour.

Season with salt and pepper, putting the meat in the middle of the dish with macaroni around it. **PORK CHOP CASSEROLE** Pack fry pork chops, then place in casserole, cover with onion, mushrooms and soup, and bake in a slow oven 260-275 degrees, until quite tender—1 to 1 1/2 hours. The dish can be hurried by preheating the soup.

## BARBECUED SUPPER DISH

2 meat, 1 lb. ham, 1 lb. beef, 1 lb. minced steak, 2 large onions, cupped, 1/2 cup pepper, sliced, 1 cup sliced mushrooms, 1/2 cup tomato soup, 1/2 cup catsup, 1 cup tomato, 1 cup water, 1 tsp. chili powder, salt and pepper, 2 cups tapioca, soft rolls.

Fry hamburger, onions, celery and mushrooms in hot crisp until brown. Add catsup, tomato, water and seasonings. Cover and simmer 15 minutes. Add lettuce and cook until the Split roll brown in frying pan. Add a little hot Crisco (a small fork) (or saving butter). To serve, surround bowl of "burger" mixture with pin heated rolls.

## PORKCHINEE MEAT BALLS

1 lb. ground raw beef, 1/2 cup minced onion, 1/2 cup milk, 1/2 cup uncooked rice, 1 can tomato soup and salt, pepper. Combine all ingredients except soup, form into 8 or 9 balls. Place in casserole. Cover with soup. Bake covered a good 1 1/2 hours at 350 degrees F.

## TOAD IN THE HOLE

Cut up 1 lb. round steak into cubes 1" square, or less, that size. Sprinkle with salt and pepper and let simmer and cook until fairly well done. Place same in a casserole and pour the following batter over: Sift a large tbsp. flour and a pinch of salt into basin. Beat 1 egg well and add to flour. Gradually add 1 pint of milk and beat until batter is smooth. Bake in oven for 1 hour.

## LAMB, CELERY AND CARROT

Use the required amount of neck and shoulder ends of lamb—have butcher cut in suitable pieces (not too fat) for stew. Cook in frying pan in own fat for several minutes until browned. Add water to gravy and add chopped celery and dried carrots as required.

Put all in a baking dish with salt and pepper. Add tomato juice if desired. Bake in a slow oven and vegetables are tender. Tasty!

## ONE-DISH MEAL

Fry one-half pound hamburger. Fry one package noodles to directions. Butter a casserole and put in noodles and hamburger. In the grease left in pan make a thin gravy with milk and add. Add to casserole 1/2 lb. grated cheese, 1/2 cup green olive oil, 1/2 cup tomato sauce, season with salt and pepper. Mix well and put thick crust (or cracker crumbs over all. Bake in a hot oven one-half hour.

## WIENER CASSEROLE

Boil macaroni until tender and drain. Combine 2 cups flour, 1/2 tsp. lard, 1 cup milk and cook until thick. Pour over macaroni, add salt and pepper. Add sliced or grated cheese. Bake in a hot oven one-half hour.

## BAKED MEAT LOAF

2 lbs. minced beef, 1/2 lb. minced veal, 1/2 lb. minced pork, 1/2 cup milk, 1 cup bread crumbs, 1/2 cup parsley or other aromatic onion may also be added. Mix all ingredients together and shape into a loaf. Bake 45 to 60 minutes, basting every 10 minutes. Serve with gravy.

## SAUSAGE CASSEROLE

1/2 cups sausage meat, 1 small onion, 1/2 cup chopped celery, 1/2 cup chopped carrot, 1/2 cup apple, 1 cup bread crumbs, 1 well beaten egg, 1/2 cup milk, 1/2 cup brown sugar, 1/2 cup tomato sauce, 1/2 cup water, 1/2 cup salt and pepper. Form into flat cakes and fry until brown, but not cooked.

Place sausage patties in deep dish and cover with dressing made with bread crumbs, onion, celery, egg and milk. Bake in a moderate oven 200 degrees until apples are done, about 35 minutes. Cover dish for first 15 minutes.

## VIRGINIA BEEF TONGUE

1 beef tongue, 1 cup brown sugar, 1 cup sliced cranberries, 1/2 cup butter, or fat, 1 cup whole clove, 1/2 cup lemon juice. Simmer tongue until tender in water to cover. Remove skin and trim the root end. Take one cup of liquid in which the tongue was cooked and add brown sugar, cranberries, butter or fat and lemon juice. Simmer in this mixture for one-quarter hour. Place on a dish with the sauce, garnish with slices of lemon and sprigs of parsley and serve.

## LAMB CHOPS EN CASSEROLE

In bottom of casserole, place a layer of raw carrots sprinkled with onion and parsley chopped fine, several dashes of Worcestershire sauce, a layer of sliced raw potatoes. Remove all fat from loin lamb chops and put chops on top of the potatoes. Season with salt and pepper. Cover and bake in oven at 350 degrees for 1 hour or until vegetables are done.

# HERE'S WHERE WE STAND. ON NEW-CAR SELLING

## General Motors Dealers' "Foursquare Selling Policy" assures you a Fair Deal when you buy a new car

Let's bring this subject right out in the open.

Many conditions still exist which encourage the "gray marketing" of automobiles.

You don't like this — and neither do we.

There's no law against "under the counter" deals — demanding a bonus for early delivery.

There's no law against loading cars with accessories the customer doesn't want or need.

There's no law against selling to buyers who make it their business to resell new cars at inflated prices.

**But we don't do it because it's not good business.**

All dealers buy cars at clearly established factory

prices which with the exception of transportation, are the same, model for model, all over the country. All start on a fair and equal basis — and should therefore sell at these fair and reasonable delivered prices.

So we're making public announcement of our code of fair dealing.

Our foursquare selling policy, simply stated, is this:

### 1 NO PADDING OF PRICES

We guarantee our delivered prices to conform with the manufacturer's recommendation and to contain nothing but standard charges which, of course, include Sales and Excise Taxes. You receive an itemized bill of sale. All prices are an "Open Book" — they are available to you and we sell at these listed figures.

### 3 TRADE-INS DESIRED— BUT NOT COMPULSORY

We will take your order for future delivery, without requiring a trade-in. However, we have many valued used-car customers who also depend upon us to supply them with automobiles. For this reason we would like to have your trade-in, and we'll give you a fair and reasonable allowance for it.

### 2 NO LOADING OF UNWANTED ACCESSORIES

All cars are offered with factory-installed accessories only and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders — and to avoid using "extras" to increase the delivered price.

### 4 NO COLLUSION

While we cannot prevent our customers from reselling new cars, we will not knowingly be a party to such transactions. Our only interest is to deliver new cars to bona fide customers.

We wish to express our sincere appreciation to our loyal customers and friends for their patience in awaiting their turn for delivery of new General Motors cars.

Although the popularity of General Motors cars is unprecedented, and the supply is lagging far behind the demand, we are doing our utmost to be fair and equitable in their distribution.

We present this platform because we believe it's good business to keep our customers informed.

It's a platform that gives you a fair deal when you buy a new car — exactly the same kind of a deal and treatment you got before the war.

If you wish additional information, it will gladly be supplied by any dealer whose name is signed to this announcement.

### LOCAL DELIVERED PRICES

of Canadian produced General Motors Cars including Standard Factory Equipment, five new type low-pressure tires and Dominion Sales and Excise Taxes, but not including License Fee or Provincial and Municipal Taxes where these apply.

# Six Woodbend Quarters Open

By Cecil Jackson

Another six quarter sections of land in Woodbend township are open for tender according to an announcement from the Alberta department of lands and mines. The new auction will bring the total of the Crown reserve offered for lease to four sections or one quarter of the amount retained by the Crown after the Woodbend township in January.

Land on which offers will be received up to September 24 are as follows:

Parcel 11—northwest quarter of section 20, parcel 13—southeast quarter of section 20, parcel 13—northwest quarter of section 21, parcel 14—northwest quarter of section 20, parcel 15—northwest quarter of section 20. The first two parcels are of 160 acres each. The remaining four are of 130 acres each. All the land is north of the proven area at Woodbend.

**INCLUDES "PELICAN"**

The 4,000-acre block taken up in northeastern Alberta by 20 companies contains at least one stand of wood. At the turn of the century the Dominion government financed an "experimental boring" at Pelican which is in the centre of the new lease. The hole was about 100 feet deep. The blow of gas was strong that the men could hear it deep in the rig after they reached a depth of nearly 3,000 feet.

While the 20 companies are actively engaged in exploring the 4,000-acre area of land and timber, the Alberta government will carry out an experiment that may turn 250,000,000 tons of oil into an available source of oil.

**TAR SANDS RESEARCH**

During the next year or two engineers and a staff of men will be operating a pilot plant at Hinton, Alberta, in an endeavor to extract the oil from the tar sands in an economical means of extracting the oil. Consulting engineer on the project is Dr. Sidney Horn of Oklahoma. Engineers in charge of the plant is W. E. Adkins, an Alberta man who studied under Dr. Horn.

If a suitable process of recovering the oil is found it is expected that an organization will start the task of recovering a barrel of oil from each ton of sand.

The world's greatest oil production point. So far no one has been able to produce the oil at a sufficiently low cost to compete on present day markets.

# Chicago Wheat Adds 2 Cents

CHICAGO, Aug. 26. (AP)—Wheat and corn added a couple of cents to their value in a firm grain market today. With selling orders limited, trading was less active than in recent sessions.

Corn drew its strength mainly from the lack of moisture in important parts of the corn belt, as though some traders felt the current, but still would help some crops in areas where the grain was planted late. A good demand for cash grain served as another reason for buying.

Cash house gave support to wheat. The weather also was an influence on the market. A general frost was reported in the Peace River section of Canada overnight. There were no reports on possible demand to wheat.

Prices advanced unchanged to 3 1/2 cents. September 2550; corn was 15 1/2 cents higher, September 125 1/2; oats were 1 1/2 cents higher, September 77 1/2; rye was unchanged, December 72 1/2.

## U.S. Funds To Help Develop B.C. Uranium

GOLD BRIDGE, B.C., Aug. 26.—(CP)—United States dollars will be available to help develop British Columbia's uranium finds, Capt. A. M. Hubbard, U.S. Atomic Energy Commission representative, said yesterday.

Capt. Hubbard is accompanying Ernest Johnson back to the scene of his Gun Creek strike, about 120 miles north of Vancouver.

"We have seen some very high grade samples," he said, "and if the showings look right, we're ready to give the boys enough money to develop the thing."

"Of course the uranium and any thorium will go to the Canadian government," he said, "we're interested in all the other radio-active minerals and by-products."

## RCAF Probes Clue To Plane

VANCOUVER, Aug. 26.—(AP)—Two RCAF officers landed at Twisp, Wash., yesterday to investigate a new clue to the location of an RCAF prop reconnaissance plane which disappeared last fall with nine aboard. Twisp is 80 miles south of Penitence, B.C.

A fisherman, who is also an air force veteran, reported Tuesday that he had found a section of a metal wing in wild country 40 miles northwest of Twisp. It was believed carried down from higher altitudes by this summer's floods.

The B-25 prop reconnaissance plane disappeared last October 18 on a flight from Calgary to Penitence, B.C. Aboard were seven air men and two civilians.

A search was carried on along the Canadian-Washington border until winter snow halted activity.

## BUTCHERS STILL GET RESPECT

QUEBEC, Aug. 26.—(CP)—Meat-rationing is in the past but butchers still have to be treated carefully.

That is what Mayor Alphonse Gendreau of the village of St. Flavien found out yesterday when he was fined \$1 for assaulting a meat-store proprietor.

Witnesses said the assault occurred when the butcher refused to sell Gendreau a pound of minced steak because he had different political views.

## Plant Workers Take Wage Cut

TRENTON, N.J., Aug. 26.—(CP)—Some 120 employees of the Bendix Corporation plant, closed because the management said it was operating at a loss, voted last night to take a general five per cent wage cut for a month's trial period.

The employees also agreed to eliminate piece work rates for a month, reducing the wages of some 25 of these workers as much as 30 per cent.

Harold Blakely, vice-president of the International Jewelry Workers (AFL), said a new agreement was being negotiated during the trial period. He said it was learned the silverware plant, closed since Friday, was to be sold.

The production of paper in Canada dates to 1860.

## War Office to Answer Nazi Generals' Charges

LONDON, Aug. 26.—(Reuters)—The War Office will make a statement within the next 48 hours on the allegations by four Nazi generals that they have been subjected to third-degree methods while being held by the British authorities at Munster, Germany, it was learned last night.

The generals—Von Junz, Brauchitz, Muenster and Strauss—were taken from Britain to Munster a few months ago.

There are indications that British authorities have believed the allegations to be without foundation. The war office statement may deal with the possibility of a trial of the four generals on "war crimes" charges and question of their present treatment.

Considerable interest has been shown in Britain on the treatment of the generals.

George Edinger wrote in the Conservative Daily Telegraph last Saturday that the generals were now being held "under a rather theatrical restraint in Germany" and that the "unexplained detention of these officers, still ignorant of their future, lends unfortunate color" to reports that they would be tried as war criminals.

Monday, Lt. Gen. H. G. Martin, the Daily Telegraph's military correspondent, came forward with another criticism of the detention of the generals.

"What crimes are these old and apparently honorable professional soldiers supposed to have committed—other, of course, than the sin of winning some battles?" Martin asked. "Surely it is time to make an end of these dreary inquiries."

## Bevin To Head UN Delegation

LONDON, Aug. 26.—(Reuters)—Foreign Secretary Bevin will head the British delegation to the September meeting of the United Nations General Assembly in Paris, it was learned yesterday.

Bevin is expected to remain in Paris throughout the session but he will be there for the main debates.

## DISK JOCKEY ARRESTED IN TOKYO

## U.S. Born 'Tokyo Rose' Going Home for Trial

TOKYO, Aug. 26.—(AP)—Mrs. Iva Tokei D'Amico, accused of being one of six dulcet-voiced Japanese radio disk jockeys known to American service men in the Pacific as Tokyo Rose, was arrested today.

The specific charge against the American-born Japanese wife of a Portuguese was treasonable activities during the Second World War.

During the war, six English-speaking Japanese women re-

galed American service men from Alaska to Australia.

Hawaii to Kunning with a spy radio program of records plus propaganda and sometimes sexy patter. The nickname Tokyo Rose was applied to all six.

The program was popular with the soldiers for its inaccuracies in detailing military operations and its good selection of records and the sexy remarks.

One of the highlights of the program was a campaign to persuade soldiers not to take American in the jungles. Tokyo Rose told them in a confidential tone

that the anti-malaria drug would make them sterile. Service men found the line of men believing her, too.

The 32-year-old Los Angeles Japanese woman was arrested on orders from Tom Clark, United States attorney-general. She was lodged in Sugamo prison from which she was released last October after authorities had investigated her. She sails for the United States and her San Francisco trial next month.

Mrs. D'Amico came to Japan shortly before the war started. Here, she had a Japanese husband.
